

## APPLICATION FOR WATER, SANITARY <sup>AND</sup> / OR STORM SEWER CONNECTION PERMITS

**Application General Provisions:**

- A no charge application must be completed and submitted to any County Office (see below):
  - NOTE: A completed application is not permission to commence service installations.
- One application is required for each individual or set (water and sewer) of services per property;
- Applicants will be contacted by Water and Wastewater Operations within 3 business days of application receipt:
  - To request a site plan showing property boundaries, proposed service location or any additional information that will assist in issuing the permits, or
  - To provide permit approval notification, cost of permit(s) and pick-up location.
  - **To notify applicant that a road excavation permit is required. Connection permits will not be issued until one is obtained.**
- Payment for approved permits must be made when permits are picked up;
- All work and material must conform to Haldimand County's Design Criteria;
- Inspected services will be billed Flat Rate (water and sewer) on a monthly basis according to the County's Water and Wastewater Fees and Service Charges By-law until such time as a water meter is installed.
