8. (a) Ontario shall cause the Commissioner to assign police officers and other persons to duties relating to the police services in and for the Municipality so as to provide the municipality adequate and effective policing services.
- (b) In the event that the Municipality requests services dedicated specifically to the municipality, it shall be responsible for all costs associated with those dedicated resources.

Liability of Ontario

9. The O.P.P. shall be liable for any damages that may arise as a result of any negligent acts or omissions of its members in the performance of this Agreement.

Provincial Services Usage

10. The O.P.P. as legislated by the *Police Services Act*, must be capable of providing provincial level response that can be mobilized for emergencies, disaster or specialized needs. The O.P.P. may meet this requirement by deploying resources that normally would be assigned to the Detachment that serves the Municipality. The O.P.P. shall ensure that in the event resources are deployed to a situation requiring provincial level response, appropriate resources remain available to the Detachment to provide adequate and effective policing to the Municipality. The use of O.P.P. officers in cases where there is a provincial obligation to respond will be accounted for as part of the billing model.

11. Ontario shall supply or cause to be supplied all vehicles and equipment reasonably necessary and appropriate for the use of the O.P.P. in providing police services under this Agreement.
12. The parties will enter into negotiations concerning the provision and payment of appropriate buildings and rental agreements, including, but not limited to, location, leasehold improvements, and capital costs, where applicable.

15. It shall be the responsibility of the Board to monitor the delivery of police services to ensure that the provisions of the *Ontario Regulation 3/99* under the *Police Services Act* are satisfied on an ongoing basis.

Cost of Police Services

16. (a) On or before October 01st in each year, Ontario shall prepare and deliver to the Municipality for review and approval, the Annual Billing Statement for the following year, together with sufficient documentation and information reasonably necessary to explain and support the billing.

(b) The Municipality shall review the Annual Billing Statement upon receipt and, within 90 days of such receipt, shall approve the Annual Billing Statement or deliver to Ontario a request to review the Annual Billing Statement.
17. (a) In the event that the Municipality fails to approve or request a review of the Annual Billing Statement within 90 days of receipt, the Municipality shall be deemed to have approved the Annual Billing Statement.

(b) In the event that the Municipality requests a review of the Annual Billing Statement as provided in this paragraph, the Annual Billing Statement shall be approved, or amended and approved in accordance with Section 18.
18. Where the Municipality has delivered to Ontario a request to review the Annual Billing Statement, Ontario shall carry it out expeditiously, and Ontario shall cooperate to permit such a review to be carried out. If the parties are unable to agree on the Annual Billing Statement, either party may submit the matter to the dispute resolution mechanisms set out in paragraphs 22 and 23. In the event that the Municipality delivers a request to review to Ontario, the Annual Billing Statement shall be deemed to apply during the period of review.
19. The Municipality shall make monthly installment payments to Ontario due no later than 30 days following receipt by the Municipality of each monthly invoice, each one being one twelfth of the Annual Billing Statement for that year. Any amounts which have become due and owing shall bear interest at the rate set by the Minister of Finance from time to time.

20. Ontario shall keep all records, statements of account, invoices and any other such documents necessary to support the Annual Billing Statement, and all such records shall be kept for a period of seven years. 21. Upon the approval or deemed approval of the Annual Billing Statement, as provided in this Agreement, adjustments shall be made in the amounts paid by the Municipality by installment so that (i) the total amount paid in respect of the preceding year is equal to the amount shown on the approved Annual Billing Statement and (ii) the installments for the year following the year in which the statement is prepared are each equal to one twelfth of the approved Annual Billing Statement. Any amounts payable by one party to the other shall be paid to the appropriate party in the remaining monthly billings for the year following the year in which the statement is prepared.

Dispute Resolution Mechanisms

Executive Summary

The Ontario Provincial Police (OPP) has over 100 years of experience in providing effective community-based policing and protection throughout Ontario. The OPP has provided municipal police services under contract for over 70 years and currently maintains contracts with over 140 communities across Ontario.

Haldimand County requested a contract proposal for OPP municipal policing. This proposal is based on the OPP Billing Model, with the County paying an amount equal to the sum of its allocated portion of the OPP's total municipal policing Base and Calls for Service costs, as well as the costs for Overtime, Prisoner Transportation, Court Security, and Accommodation/Cleaning Services as applicable. Where a municipality chooses to receive police services from the OPP pursuant to a contract, the OPP will provide the level of police services required to provide adequate and effective policing, including providing the services set out in Regulation 3/99, Adequacy and Effectiveness of Police Services under the *Police Services Act*.

This proposal reflects the integrated policing concept, incorporating a police services contract for Haldimand County with OPP highway patrol services and provincial responsibilities under one administration. The Haldimand County OPP Detachment will remain as the Administration/Operations Centre. The resources will be deployed to the municipality from this facility.

The Haldimand County OPP Detachment Commander will be responsible to oversee all aspects of service delivery. The detachment management including Staff Sergeant(s) and Sergeant / Platoon Leaders as applicable will provide assistance and supervision to members of the Haldimand County Detachment.

In order to provide a location for the police and public to interact, and to facilitate the delivery of police services in a community, the municipality may choose to establish Community Policing Offices (CPOs). Where such offices exist they are usually equipped with telephone and computer capabilities for use by officers assigned to the municipality. Any decision on the establishment of a CPO in Haldimand County rests entirely with County Council and any associated costs will be the responsibility of the County.

It is the intent to maintain all existing community service programs and community policing committees, in consultation with the Police Services Board.

Any new community service program considered may be implemented after consultation with Haldimand County Council, the County's Police Services Board and the Haldimand County OPP Detachment Commander.

When a municipality chooses to receive police services from the OPP under contract, the OPP will ensure that the municipality receives adequate and effective police services in accordance with the *Police Services Act* and Regulations. The shared infrastructure of the OPP broadens local access to resources, expertise, solutions, training and management without duplicating services. Haldimand County will continue to benefit as additional staff are readily available from within the Haldimand County OPP Detachment as well as neighboring detachments and regions, should the need arise.

Haldimand County will be required to maintain a Police Services Board, as mandated by Section 10 of the *Police Services Act* that will generally determine objectives and priorities for police services within the community, after consultation with the Detachment Commander. The Commissioner is committed to ensuring that the Detachment Commander of the Haldimand County OPP Detachment responds appropriately to the Board's advice and priorities in a manner consistent with the Board's identified concerns, expectations and needs.

It is long-standing OPP policy and practice to be accountable to the communities we serve. The Commander of the Haldimand County OPP Detachment, or designee, will report to the Police Services Board on a regular basis, as per the direction of the Board. The OPP is experienced in being accountable to the municipalities we serve. With over 100 contracts currently in place and future contracts pending, there is great emphasis placed on OPP accountability to Police Services Boards.

The OPP is required to provide provincial level emergency response that can be mobilized in times of emergency, disaster or a specialized investigative need. The OPP meets such emergent needs, on an on-call, as-needed basis, by deploying small numbers of officers from multiple locations and assignments, both provincial and municipal. During such times, the OPP is responsible to ensure that appropriate resources remain in place to make certain the municipality receives adequate and effective police services in accordance with the *Police Services Act* and Regulations. The use of OPP officers in cases where there is a provincial obligation to respond will be accounted for as part of the billing model.

If Haldimand County chooses to accept an OPP contract for its policing service, the Haldimand County OPP Detachment Commander will assign resources, focusing on meeting the County's unique policing needs.

Value for Haldimand County:

- Assurance of adequacy and effectiveness of police services;
- Dedication to resolving community issues through local involvement and community policing committees;
- Availability of additional staffing support from neighbouring detachments, regional headquarters and general headquarters;
- Work with the Detachment Commander in determining the local policing priorities and objectives through the County's Police Services Board; and
- Access to a comprehensive infrastructure and specialized services

The estimated policing cost for 2018 associated to this proposal as presented in the Annual Billing Statement is **\$7,377,268**. This amount is reflective of the most current cost estimates under the OPP Billing Model, exclusive of the year-end adjustments.

The year-end adjustments for the years 2015 and 2016 totalling **\$-242,926** are listed separately from the 2018 estimated cost, but form part of the Grand Total Billing as shown near the bottom of the Annual Billing Statement.

Not included in this proposal are:

- The cost of maintaining the Police Services Board
- The costs associated with establishing and maintaining Community Policing Office(s)
- Any applicable revenues accruing to the municipality as a result of police activity
