Memorandum: CS-FI-M04-2016

Date:	June 6, 2016
To:	Mayor Hewitt and Members of Council
From:	Mark Merritt, Treasurer
cc:	Senior Management Team Clerk
Re:	Additional Information Related to CS-FI-M01-2016 2016 Municipal Drain Billing

Subsequent to the completion of CS-FI-M01-2016, staff's preparation of the related by-law revealed that the Jarvis 2 Drain Maintenance cannot be billed at this time. An engineer will be required to prepare a revised assessment schedule for the maintenance of this drain which will then be billed in 2017.

Accordingly, Table 1 of Memorandum CS-FI-M01-2016 needs to be revised as follows:
