At the Corporation of Haldimand County, we believe that a comfortable workplace is a productive one.

We also recognize that we have one opportunity to make a good first impression. As representatives of Haldimand County, all employees should be neat, well groomed and dressed in job appropriate attire that reflects the County's image. Employees should use common sense regarding work attire and refrain from wearing sloppy or overly provocative clothing to the office.

Specifically prohibited are:

- Ripped, torn or faded clothing.
- Clothing designed specifically for sporting activities such as sweats, biker shorts, swimsuits, tennis outfits, leggings, etc.
- Clothing more appropriate for evening or leisure wear such as excessively short miniskirts, low-cut tank or halter tops, backless dresses, etc.
